“ We've visited Jinhan Fair for 15 years since it was first held in China. There are many new ideas, great products and a favorable working environment here. It's full of new designs we want. I think suppliers at the Jinhan Fair are good at making new things. I hope my daughter will attend the 60th Jinhan Fair in the future. ”

Mr. Joke Bakker
Coen Bakker, the Netherlands

“ We source for a British retailer. I can't remember how many times I've visited Jinhan Fair. It's spacious and the sourcing atmosphere is relaxing. We can find many suitable things here every year. It is really helpful for us to find out what the latest popular colors and the fashion trend are. ”

“ We are in the wholesale business of home furnishing of Brazil. Though our company is only three years old, we've visited Jinhan Fair for five years. I spent about one million US dollars buying products here every year. I think this is China's best home furnishing exhibition. I can find all the products I want here. And my suppliers only come here, not to any other places. ”
