What our buyers said

“ I have to say that I am always looking forward to JINHAN FAIR! Each year's event even outshines that of last year! You really did a great job!

Amaranda SRL, BENEDETTA FUNGHI
Italy

JINHAN FAIR was so amazing and I was deeply impressed by many booths. It is a great chance for us to meet suppliers that we've never approached before, and future cooperation can be expected.

What our exhibitors said

“ We keep optimizing product strategies, integrate with our buyers and study the demands and changes of end-consumers in order to provide different living scenes for different product series. Our attention and efforts received wide approval from buyers. JINHAN FAIR, as a professional platform, made our work paid off pretty well.

Lily Zheng, General Manager
Zhejiang Risingsun Industry & Trade Co., Ltd.

We focus on product research, development as well as designing innovation, combining creative application of materials with popular elements in design to cater to clients' demand. New products in this JINHAN FAIR have received unanimous approval from buyers. We are fully confident about the foreign trade market and want to thank JINHAN FAIR for the great platform it provides. A continuous participation in the exhibition shows our direct recognition of JINHAN FAIR!
